Elgin Arts Association Awards Pearls Scholarships

Elgin, Texas – The Scholarship Committee of Elgin Arts Association has selected two applicants to receive the Pearls Scholarship this year. Scholarships of \$1000.00 were awarded to:

Tomas Segura, a senior at Elgin High School who will be attending St. Edwards University in Austin and majoring in Photo Communications and

Leslie Moore, a senior at Phoenix High School who will be attending Texas State University at San Marcos, majoring in Fine Arts and Biology.

Both students have demonstrated a strong commitment to the arts and to the community and EAA is proud to acknowledge their achievements and expect great things from them in the future!

We received several worthy applications and were gratified to see so much creativity and passion for the arts arising with our youth.

EAA would like to thank all those who make this scholarship program possible; all the local businesses and individuals who donated items for the Silent Auction, the patrons who purchased items, the artists who participated in the show and the volunteers who worked so hard to bring it all together.
